Information guidelines

All information provided in this document is subject to change without prior notice. Please ensure that you have received the latest version of this dossier as we are continually striving to improve the standards and quality of our tours and itineraries are subject to change. Travel times and campsites can change depending on road or weather conditions, or any unforeseen circumstances. These are used as a guideline only. On our longer tours it is possible that your crew, truck and fellow travellers will change due to our unique tour linking system. There are a maximum of 20 participants travelling on this tour.

Partaking in an adventure tour in Africa involves covering hundreds if not thousands of kilometers in a truck, and our tours are as much about this journey as they are about the destinations we visit. Use your time in the truck to talk to your fellow travellers, play card games, have a drink, walk around, take note of the world passing by your window and make the most of this unique opportunity to step out of your comfort zone.

Some roads you travel on will be smooth and easy while others could take up to an hour to cover one kilometer. There is just no telling what could happen with road, weather, traffic and other conditions that may exist that will either increase or decrease the amount of time you spend on the road so take your watch off, put your iPad away, turn off your phone and just relax. An average day could take anything from 5 to 14 hours in the truck, it all depends on the day... and that's only an "average".

In this tour dossier you see an indication of a distance to be covered on a particular day. Please don't assume that your travel time will be equal to that which you can travel in your car on the autobahn... no, it will be much, much slower. We will stop for shopping, bathroom breaks, photo stops, activities and a whole lot more. If you are looking to only experience specific destinations and are not interested in the journey, perhaps adventure touring is not for you.

As circumstances change in the destinations that we visit, our tour dossiers do change from time to time as we constantly improve our offering based on feedback about these changes that we receive from our guests and guides on tour. Please ensure that you download this dossier again within a week of your tour departing to ensure that you have all of the correct information regarding the tour.

The polers will steer us through the serene area of narrow, reed lined channels which open out onto beautiful lagoons. Reaching one of the many islands, a nature walk may be taken with your poler. After the walk, we return by mokoro through the channels back to the poling station. More about this tour

MEALS ON TOUR

Breakfast: As breakfast is served very early in the morning (if there is driving or activities to be done) it is a simple but filling breakfast: Tea and coffee, breads and spreads, cereals, yoghurts, fruits and on occasion, when there is time for a later breakfast, guides will serve a hot breakfast of scrambled eggs, porridge, bacon or beans.

Lunch: Lunch is generally served at a picnic spot next to the road en route to a destination. As the guides only have approximately 45 minutes to get everyone off the truck, prepare lunch and then get everyone back on the truck again, lunches consist of sandwiches and salads (rice salad, pasta salad, tuna salad and green salad) which are quick and easy to prepare but which are quite filling. Guides have meal plans which they should stick to, to ensure that there is variety on a day to day basis.

Dinner: This is when the guides get time to prepare a delicious meal and they focus on a substantial protein, vegetable and carbohydrate dinner. We serve traditional cuisine consisting of braais (BBQ), potjie (stew), bobotie (mince), spaghetti and fish and chicken dishes. All meals (on both accommodated and camping tours) that are included as per the dossier are prepared at the full service adventure truck. This is a unique adventure in itself where you get to dine under the stars with your new found friends and experience the real sights and sounds of Africa!

TIPPING ON TOUR

Southern Africa: In general tipping in restaurants is expected and is around 10% for good service, more if you have received exceptional service, and, feel free not to tip at all if you received poor service. Tipping taxi drivers etc is really at your own discretion and not always expected. If in doubt please ask your guides. It is expected to tip porters and car-guards etc. Ask your guides how much is appropriate in local currency. Our guides do work hard but they are also paid at (and often above)

industry levels for this work. Our Crew can be tipped if you feel that they have done a good job and/or gone above and beyond the call of duty. The best way to arrange tips is to elect one person in the group to collect the money. We recommend USD1-2 (or about R10-R20) per day per person, per guide as a fair tip. So if you have 3-crew on a tour, we would recommend that 3 envelopes are used and each crew member's name written on one. Place what you feel is fair into each envelope and the elected person can give these to the crew at the end of the tour. If you do not feel that the crew deserve a tip, please, do not tip them. You must remember that tipping is only for exceptional service and is not at all compulsory or expected.

Countries visited

Namibia

Namibia is Southern Africa's most westerly nation and is home to some of the most beautiful desert plains and sand dunes. This nation has a truly unique landscape; completely unlike Angola, South Africa and Botswana which are its neighbours. Namibia is also one of the largest countries in African, covering 824000 square kilometres. While it covers a seemingly endless amount of space, at every turn you'll find yourself facing a truly magnificent sight and rugged beauty.

Although Namibia's deserts may look lifeless, they're in fact buzzing with life and activity. Home to the African wildlife that tourists travel miles to observe, as well as their very own wild horses and snakes, Namibia has several game reserves for their visitors to visit. The most popular and established being the Etosha National Park where guests can either choose to camp or stay in luxurious accommodation.

If you're planning an adventure into this beautiful and inspiring country, make sure you land up in Swakopmund, visit the Fish River Canyon, Damaraland and the Kaokoveld. A trip to the Skeleton Coast will show you the beauty of a desert meeting a coast. The Kalahari however, is one of the most astounding aspects of this nation, as it's endlessly beautiful terrain and wildlife will take you to a mysterious and enchanting new world.

The capital city of Namibia is Windhoek, a city which is heavily influenced by Namibia's previous colonial ruler, Germany. Today, however the country has close ties to South Africa; its currency linked to that of the rainbow nation.

ShapShap Travel will take you on an adventure like no other through the beautiful Namibian terrain, showing you the beautiful deserts, game reserves and cities while enlightening you to the lifestyle of the locals and the history of the country.

Botswana

Botswana is a southern African landlocked nation, surrounded by Zimbabwe, Zambia, South Africa, Namibia and is one of Africa's most popular inland tourist destinations. Despite being quite a large country, Botswana remains to be one of the world's smallest communities with just over two million people calling themselves citizens. Most of the locals can be found working in the nation's capital city, Gaborone, however many others work on game reserves and with the country's tourism industry.

Botswana's Okavango Delta is the world's largest inland delta and is alive with vibrant bird species and wildlife. In comparison to the vast Kalahari Desert, the delta is lush and green; a true magical world where life is simple and relaxation is unavoidable.

A trip to Botswana isn't complete without a visit to the Makgadikgadi Pan, an incredibly large salt pan where you'll delight in peace and quiet. There is hardly any life here, as the salt pan makes it hard for nature flourish, however exploring the pan will show you another wonder unlike any other, a true escape from civilization and a surreal, beautiful place.

Botswana is truly a unique country with a landscape and beauty unlike any other; from deserts to delta, bushveld to grasslands, savannas to salt pans, Botswana is a true joy to explore and offers a world of adventure to all tourists.

Zimbabwe

Zimbabwe is an incredibly beautiful, land-locked nation in the centre of Southern Africa. Despite its political and economic struggles, it remains a country of breath-taking beauty and lush landscapes. Famously bordering on the magnificent Victoria Falls and stunning Zambezi River, this is a country of astounding beauty and is by no means short of attractions and activities.

Zimbabwe, previously known as Rhodesia during its colonial days, has been the focus of many explorers during the last few centuries. It was Rhodes that orchestrated the building on the first railway line through the country which stretches across the entire African continent, and David Livingstone was the explorer to hear the thunderous sound and say the spray of the world's largest natural waterfall, the Victoria Falls; named after his sovereign Queen Victoria.

Zimbabwe received its independence in 1980 and has struggled to maintain a democratic state ever since. However, despite its unstable economy and the fragile political state, thousands of tourists make their way to the country every year, wishing to explore its African roots and be spellbound by its beauty.

Zimbabwe has a unique landscape, atmosphere, community and culture which set it apart from its fellow Southern African nations. The beauty of this country will easily allow you to forget it's complicated structure; indulge yourself in the magnificent Victoria Falls, astounding structures of Motopas, observe the African wildlife and take yourself back in time to the Great Zimbabwe Ruins.

Enjoy your adventure of a lifetime!
